Notice regarding the response to the Declaration of a State of Emergency issued by Japanese Government in association with the spread of Coronavirus Disease 2019 (COVID-19)

Tokyo, April 8, 2020 – KH Neochem Co., Ltd (TSE: 4189, President and CEO: Michio Takahashi, “KH Neochem”) announced regarding the response to the Declaration of a State of Emergency issued by Japanese Government in association with the spread of COVID-19.

KH Neochem would like to extend its deepest condolences to the families of those who have passed away as a result of the COVID-19 crisis, and extends its sympathies to all those who have been impacted.

KH Neochem continues to ensure its utmost to meet its supply responsibilities to customers while ensuring the safety of all the stakeholders including employees and their families, in addition to preventing the further spread of COVID-19.

In response to the issuance of the Declaration of a State of Emergency in Japan, all the employees working in the headquarters should work at home in principle from April 8, 2020 till the cancellation date of the Declaration, in order to ensure the safety of all the stakeholders including employees and their families and to prevent the further spread of COVID-19.

Thank you very much in advance for your kind understanding and cooperation.
